

Katie Murphy is the President of the Massachusetts Nurses Association, the largest union and professional association of registered nurses and healthcare professionals in the state, representing 26,000 members working in 85 health care facilities. Before being elected President in 2020, Katie represented MNA members on the Board of Directors for over ten years and has been a strong advocate for protecting nurses, health care workers, and patients even longer than that. Katie has also held appointed and elective office in Framingham, MA. Katie Serves on local, statewide, and national Commissions and Committees in the Labor, healthcare, and political space.

Katie brings with her decades of firsthand experience, including her role as a Registered Nurse on the front lines of the pandemic in the Special Pathogens Units at Brigham and Women's Hospital and in the Medical ICU today. She graduated with an Associate of Science in Nursing from Vermont College in 1975, a Bachelor of Science in Nursing from Boston University in 1982, and a Master of Science in Nursing from Framingham State in 2012. She is currently certified as a Critical Care Nurse.
