

These are the 6 bills that I identified as currently introduced in the Federal legislature. You can see, with the black background, that none of them have had any movement after being introduced and not many of them have more than a few cosponsors. The one with 112 cosponsors is not bipartisan (all cosponsors and original sponsor are democratic) which lessen the chance of passing. To view these bills interactively and read the full text, go to Congress.gov and put in the bill number.

1. [S.4043](#) — 117th Congress (2021-2022)**Delivering Over-the-Counter Hearing Aids Now Act**Sponsor: [Sen.
