Advocacy

- Help shape the future of ORL nursing through guideline development and advocacy initiatives

Leadership and Recognition

- Opportunities to serve in leadership roles within SOHN's committees, taskforces, or board
- Recognition through awards, scholarships, lectureships, and grants

Networking and Community

- Connect nationally with a community of peers and experts in ORL nursing
- Participate in regional chapter meetings
- Specialty Interest Group meetings in multiple subspecialties

Career Advancement

- Job boards, career tools, and mentoring opportunities to help you grow within your ENT career

What Our SOHN Members Say:

"SOHN has been my professional home for over 15 years. It's help me grow, lead and connect with otolaryngology experts across the country"

— Maria C. NP, SOHN Member
